LA PRAIRIE
SWITZERLAND

With the Art of Beauty, the House of La Prairie has conceived sensorial experiences as once indulgent and cutting-edge - singular, bespoke protocols enriched with potent molecules and precious ingredients captured in luxurious formulations.

Inspired by La Prairie's birthplace, the Art of Beauty is offered in an atmosphere that recalls the tranquil landscapes of the land of the House's origins.

Created by La Prairie as an expression of Swiss nature fused with 90 years of Swiss cellular science and discreet, elegant aesthetics, these experiences immerse you in a world of timeless beauty.

Each of the five exclusive Art of Beauty ceremonies pays tribute to one of La Prairie's precious ingredients: Swiss caviar, eternal platinum and radiant gold. A series of specially developed signature gestures that enhance the sublime textures completes the experience.

With La Prairie's Art of Beauty, emerge rejuvenated from a place where time stands still.

Caviar indulgence

TRANSFORM | LIFT | FIRM

The experience

Life-infused Swiss waters are at the heart of La Prairie's Caviar Science, infusing caviar ingredients with unparalleled lifting and firming potency. A total indulgence, this 60-minute skincare ceremony profoundly improves the appearance of elasticity and tone. Skin appears firmed and lifted.

LA PRAIRIE

Platinum haute-rejuvenation

REJUVENATE | REFINE | RESTORE

The experience

The eternal Swiss peaks that inspired the House to look to the cosmos engendered the Science of Haute-Rejuvenation. Infused with platinum that originated in a distant corner of the universe, this 90-minute skincare ceremony refines skin texture, smooths wrinkles and evens skin tone. The natural glow of youth is enhanced, firmness and elasticity are increased, volume is restored and moisture levels are augmented - reversing all visible signs of ageing.

Time is suspended.

LA PRAIRIE

Caviar illumination

ILLUMINATE | SMOOTH | FIRM

The experience

The singular light reflecting off the shimmering surface of lac Léman is the same extraordinary light that La Prairie's scientist seize and bring to the skin. The Science of Light seeks to understand the various factors that impede skin's luminosity. A new chapter in La Prairie's heritage of bold scientific research has thus come to light. Enriched with Swiss Golden Caviar Extract and potent illuminating molecules, this 60-minute skincare ceremony helps reduce the visibility of chromatic disturbances that can dull skin. Skin's texture is firmed, allowing it to better reflect light.

LA PRAIRIE

Gold radiance

REVITALISE | REPLENISH | RENEW

The experience

The warm glow that falls over mountains as the sun reaches the most graceful point in its arc across the landscape is the inspiration for this experience. La Prairie captures that glow with the Pure Gold Diffusion System, infusing skin with the grace of the golden hour. During this 60-minute skincare ceremony, an advanced complex combined with a golden peptide helps fill lines and plump the skin for an immediate, younger look, as if basking in the glow of the sun at dusk.

LA PRAIRIE

Precious gaze

SUPPORT | TONE | MOISTURISE

The experience

The eye becomes the focus of La Prairie's Swiss cellular science, bringing a new perspective to the most expressive area of the face. This bespoke 30-minute skincare ritual helps improve the appearance of elasticity and tone in the delicate area around the eye. Rich, comforting, indulgent formulas glide on effortlessly to infuse the skin with potent active ingredients leaving skin around the eye feeling smooth, lifted and deeply nourished.
