

Eden Rock – St Barths reopens its doors

Eden Rock – St Barths, the iconic Caribbean property within Oetker Collection, is reopening its doors on November 20th 2019 following an extensive 2-year renovation and rebuilding project.

Fabrice Moizan, General Manager said: “The remaking of Eden Rock – St Barths has been an incredible adventure and a wonderfully rewarding experience on so many levels. It really was a team effort and we are immensely grateful to our brilliant group of collaborators and colleagues who worked with us endlessly to reach this milestone. We also thank our shareholders for the fantastic opportunity to rethink and redesign every detail in order to create a brand-new Eden Rock but with the same deep-set values and attention paid to honouring our heritage.”

A choice of brand-new facilities is available for Guests to discover at their leisure: This whether sampling the exciting range of new amenities, savouring the culinary creations of Master Chef Jean-Georges in the Sand Bar restaurant, sipping divine cocktail creations at the Rémy Bar, relaxing blissfully at the new Eden Spa, shopping in style at the enlarged Eden Being boutique or soaking up the sun on the unmissable and private Eden Rock Beach bordering the hugely celebrated and enormous St Jean public Beach ...

Jane Matthews, co-founder and decor coordinator at Eden Rock - St Barths sought to keep the original informal and amiable family atmosphere unchanged whilst complementing the interiors with vibrant art and loads of handpicked books. “We are excited by the fresh new and relaxed-beach design style and diverse colour schemes created and used now throughout the property”.

The familiar members of the dedicated hotel team are joined by talented new Eden Rockers, readier than ever to provide world-class service of renown. “Our GuestFriends have continued throughout the close down to show heartwarming support and we are grateful for their loyalty and we thank them warmly. Reservations are encouraging and we cannot wait to welcome back all our Clients, Guests and Friends to their home-from-home in the heart of the island of St Barths.”
