### Culinary Journeys

Jumby Bay's culinary journeys blend simplicity with sophistication.

From romantic fine dining to casual Caribbean fare feasts, our gastronomic selections are inspired by fresh, local ingredients blended with international influences.

Our Executive Chef, Paolo Lovari sources sustainably harvested and produced fruits, vegetables, seafood, meats and spirits from surrounding farming communities on Antigua and the island's own organic farm.

A fresh European influence finishes distinct Caribbean flavours in each of the island's dining experiences.
