THE LANESBOROUGH PARADIS

The angels take a share of all spirits during their maturation in wooden barrels. On average, about 2% of the volume is lost in this way each year, and that's why aged spirits become rarer as the years pass by.

At The Lanesborough, our collection of spirits has surely contributed to the Angel's happiness, and what is left to taste is kept in specially selected bottles that we like to call our Paradis.

These Cognacs and Armagnacs are amongst the rarest and finest in the world. Their vintages mark some of the most fascinating dates in history, stretching back to the 16th Century. It gives us great pleasure to share our knowledge of these excellent vintages with you. Rare Spirits are a passion at The Lanesborough and we do hope you enjoy this once in a lifetime experience.
