An awakening for the senses at Château Saint-Martin & Spa

Vence, May 2021

Château Saint-Martin & Spa welcomes guests in search of privacy, natural beauty and inspiration in the South of France.

Oetker Collection's Château Saint-Martin & Spa announces it will open for the 2021 season on June 04th, 2021. The historic property sits in the hilltops of Vence, midway between Cannes and Nice and a mere 30 minutes by car from the Mediterranean Sea. The medieval village is surrounded by some of France's most charming artistic hamlets once frequented by the likes of Pablo Picasso, Henri Matisse and Marc Chagall who were attracted to the area for its astounding beauty and inspiring artisanal traditions. The Château, set amidst private Mediterranean gardens where the fragrances of thyme and lavender dance in the warm air, presents a panorama of sensational views extending all the way to the sparkling sea. This summer, guests are invited to awaken their senses with an unforgettable escape between Michelin starred dining, replenishing outdoor activities and incredible scenery enhanced by the captivating sculptures of contemporary artist Manolo Valdés.

An escape in total privacy

Château Saint-Martin proposes 6 private villas nestled in the hillside with magnificent views over the hotel's olive grove and gardens. Ranging from 1 to 3 bedrooms, the villas offer plenty of space for couples or families to relax, providing all of the comforts of home as well as the option of in-villa dining and spa treatments, available upon request.

Gastronomic excellence from local flavours

At Le Saint-Martin, Head Chef Jean-Luc Lefrançois Pastry Chef Malo Le Cras, and his team present an exceptional gastronomic experience, rooted in locally sourced ingredients, that has consistently earned them one Michelin star. From their tasting menu on Le Saint-Martin's panoramic terrace to grilled specialties enjoyed under the olive trees — feet in the grass — at L'Oliveraie, dining at Château Saint-Martin is a refined journey for the palette, enhanced by attentive service and beautiful surroundings.

Replenishing wellness in nature

A replenishing sense of calm in a breathtaking natural landscape is guaranteed with every visit to the property. Guests are welcome to luxuriate in the hotel's outdoor infinity swimming pool, train in the state-of-the-art fitness facilities and wander about the 34 acres of private grounds. For a special poolside experience, four garden cabanas with sun loungers and dedicated servers can be reserved for the day. And for a sensuous pick-me-up, the experienced therapists at Spa Saint-Martin by La Prairie offer expert treatments that can be savoured outdoors in the hotel's garden gazebo.

Inspiring encounters with the works of Manolo Valdés

World-renowned contemporary artist Manolo Valdés is on exhibit at Château Saint-Martin & Spa this season. The artist's magnificent sculptures enrich the garden landscape with shape and colour and a collection of his etchings are on view in the Château's private gallery. Art lovers will relish the Spanish artist's deeply expressive work.
