EDEN ROCK  
ST BARTHS

*Summer in St Barths is now Yours*

*Eden Rock – St Barths welcomes guests back to paradise  
as the island's borders reopen*

St Barths authorities have announced the island's borders will reopen **on June 9<sup>th</sup>, 2021** and Eden Rock, a proud Oetker Collection pearl, is delighted to welcome all wanderlusting guests back to its private oasis on the spectacular St. Jean Bay. The secluded Caribbean Island of St Barths presents a dazzling island life, enviable French culture and cuisine, and pristine beaches — just in time for what's guaranteed to be an epic summer. With all the necessary safety precautions still in place, now is definitely the time to escape to where 'Life is Eden'.

#### **St Barths entry and situation.**

The flow of travelers between France and foreign countries will be reopened according to modalities which vary according to the health situation of foreign countries and the vaccination of travelers.

St Barths therefore welcomes all travelers coming from the United States providing proof of vaccination and presenting a negative Covid PCR test taken less than 72h before departure. For travelers not able to present a vaccination card a compelling travel reason and a negative PCR test will be asked.

Since a pause on travel was implemented in February to protect France from COVID-19 variants, the island has maintained a very low and stable number of cases. The local government of St Barths continues an expanding vaccine campaign allowing the island to soon be able to reach the herd immunity. As the global situation continues to improve, ensuring the health and safety of guests and locals remains at the forefront of the hotel's preoccupations. Now even more than ever, Eden Rock offers a safe haven with a safety protocol well in place for that one-of-a-kind hospitality it's known for.

## **France in the Caribbean.**

Nowhere on Earth is quite like St Barths, where sunseekers can enjoy the intoxicatingly refined French culture without crossing the Atlantic. A truly unparalleled blend of two worlds — France and the Caribbean — is just a short flight away for US tourists looking for a fabulous escape. The vibrant and glamorous French *art de vivre* and delectable cuisine, combined with the most stunning beaches in the world, provide a veritable luxury for all five senses. For decades, St Barths has solidified its image as a symbol of nonchalant glamour that can only be explained by its French roots, and the hotel's attentive team of Eden Rockers epitomise this laidback island vibe.

## **Staying in Eden ...the #1 bucket list destination.**

Bespoke wellness, deep relaxation, inimitable style and incredible adventure are what make Eden Rock one of the most talked-about destinations in the Caribbean. The iconic hotel has provided five-star service and beyond since the '50s when French Caribbean Rémy de Haenen's home became the preferred hideaway for many of Hollywood's most illustrious characters, like Howard Hughes and Greta Garbo. To this day, a deep sense of safety and freedom and a contagious spirit of casual elegance permeate the island. Eden Rock – St Barths is truly an ideal destination for peak health and exclusivity in 2021.

## **Privacy, please... with Eden Rock Villas**

Family and friends can finally begin to gather once again to celebrate. Villa Nina and Villa Rockstar are each located on the property at Eden Rock and offer direct, VIP access to the hotel for ultimate comfort and easy access to the private beach., Eden Rock Villa Rental also proposes a stunning portfolio of more than 140 private villas located around the island with privileged access to the hotel's five-star services. Guests enjoy round-the-clock dedicated concierge service and daily breakfast delivered every morning to their private villa. This plus, for a selection of villas, a personal Butler and a dedicated Chef make for intimate luxury at its absolute best.

Transitioning back to reality has never looked as glamorous as it does at Eden Rock – St Barths.
