Spirit of a city: drinks that summon great places

Vraiment Chou, by Thierry Hernandez of Le Bristol Paris

112 RUE DU FAUBOURG SAINT-HONORÉ, 75008 PARIS, FRANCE

A gorgeous cocktail inspired by elegant Parisian women

Thierry Hernandez of Le Bristol

When choosing the name for this cocktail, I was inspired by the elegant Parisian women I see coming in and out of [Le Bristol](#) or strolling down the [Rue du Faubourg Saint-Honoré](#). *Chou* translates as both “cute” and “cauliflower” and I wanted to play on this double meaning of the word to create the “Very Cute” cocktail. For me, this drink is an ode to beautiful and stylish Paris, which I’ve honoured through the choice of regional ingredients: local cauliflower, Lillet (French vermouth), homemade lemonade and elderberry syrup from the countryside near Paris.
