

Céleste

Please allow me to start by warmly welcoming you to Céleste, The Lanesborough's celebrated dining room.

My passion for hospitality began when I was only 14 years old, cooking in my native Puglia in the south of Italy.

Having worked in fine restaurants across the globe from Tuscany and Malta to Copenhagen and Melbourne, before joining the team at Céleste in 2019, my cookery is influenced by different cuisines and techniques.

Honouring British heritage and provenance, with modern European creativity, our aim is to take you on a discovery of great flavours and food with a real story, with a strong commitment to source locally produced ingredients.

As a socially responsible business, we are delighted to commit our support this year to Heartburn Cancer UK, a charity dedicated to raising awareness of the dangers of persistent heartburn, gastro-oesophageal reflux disease (GORD) and Barrett's oesophagus.

A voluntary donation of £2 will be added to your bill which goes towards a new mobile diagnostic unit, making a new detection test called the Cytosponge more readily available in the community.
