

LE BRISTOL
PARIS

Paris, September 2021.

B.A.D. IS BACK

Weekend nights at Le Bristol will once again host one of the most stylish parties in Paris with the return of Bristol After Dark, beginning September 16th.

The warm and plush atmosphere at Le Bar du Bristol is soon to fall under an intoxicating spell of cool blue neon lighting, stimulating beats from the DJ's turntable and the rhythmic *swish-swish* of the mixologists' cocktail shakers. B.A.D -Bristol After Dark- evenings are coming back on September 16th to reinstate one of the most seductive atmospheres in Paris every Thursday, Friday and Saturday night beginning at 10pm.

B.A.D. evenings are when Le Bristol Paris reveals its irresistible alter ego, an ambiance that breaks neatly with tradition to unleash a playful energy all its own. Low-lit and eclectic, Le Bar du Bristol becomes a gathering place where Parisians and guests can reunite to enjoy the unique synergy of the Palace hotel's exquisitely designed lounge, the transporting talent of a rotating cast of DJ's and the hand-crafted cocktail creations from Le Bar's world-class mixologists.

As Autumn arrives and the days grow shorter, B.A.D. evenings at Le Bristol Paris are reason to celebrate Parisian nights getting longer.

Bristol After Dark evenings, every Thursday, Friday and Saturday from 10.00pm to 2.00am at Le Bar du Bristol.
