

JUMBY BAY ISLAND  
ANTIGUA - WEST INDIES

## THE JUMBY BAY SPA

Tucked away from the hum and bustle of the Caribbean, yet deeply rooted in the heritage, customs and natural environment of the West Indies, The Spa at Jumby Bay offers a sublime escape by the sea.

The sanctuary reflects the open-air architectural refinement of Jumby Bay Island. Gentle sea breezes drift through its vaulted ceilings, mingling with the intoxicating scent of nearby tropical gardens.

The mood is quiet and serene as guests unwind by the pool or in the spa's steam and sauna rooms before indulging in healing, island-inspired treatments.

All of our treatments begin with a welcoming ritual that allows you to transcend the outside world and diffuse any negative energy. A consultation with your therapist will ensure a completely personalized approach to your spa experience.
