HEALTH CONCERNS – COVID 19

In compliance with the SP government guidance, we have implemented stringent protocols to further safeguard the comfort, health and safety of our guests and employees which always remain our highest priority.

At each touchpoint along the guest journey through Flora Spa, measures are being taken to protect guests and employees. These measures include but are not limited to; physical distancing guidelines, temperature checks, masks provided to guests and worn by all employees and guests in the spa facility, and increased frequency of cleaning with registered disinfecting chemicals that have been proven effective in preventing the transmission of COVID-19.

Hands-on training for all employees, a dedicated on-property rollout committee and a formal audit program to ensure all procedures are followed (Albert Einstein Hospital).

We have reduced our spa treatment menu during this time, please kindly contact our spa team who will be delighted to assist you with any enquiries or concerns you may have.

Hand Sanitizer will be provided prior to entering the spa facilities. Hand washing before and after all treatments is required by the guest and the Treatment Provider.

Treatment Providers will wear masks, safety glasses and a lab coat as an added safety measure.

If you have developed any of the following symptoms; Cough, Fever, shortness of breath, Sore Throat, Headaches within the last 7 days, please contact the Spa in advance.

Temporary closures of hot tubs and saunas will remain effective at this time.
