EDEN ROCK
ST BARTHS

*Dynamic French Duo: Master Chef Jean-Georges &
Executive Chef Maxime Danielli-Lefebvre at The Sand Bar*

Eden Rock–St Barths honours its French culinary heritage by shining the spotlight on The Sand Bar’s Master Chef Jean-Georges and Executive Chef Maxime Danielli-Lefebvre.

St Barths Island is no stranger to fine dining, but there’s a very special alchemy that occurs when you pair the talents of a seasoned French Master Chef and a rising star French Executive Chef together on one single extraordinary menu... This and much, much more is what diners from around the globe come seeking when they take their seats at Eden Rock - St Barths’ The Sand Bar... and the Eden Rockers never, ever disappoint.

Master Chef Jean-Georges Vongerichten

World-renowned and universally celebrated Maestro Chef Jean-Georges is a genius at developing culinary magic that is as healthy as it is a symphony of magnificent flavours. He manages to dazzle the palates of the discerning clientele at Eden Rock by fusing... and then transcending... inspiration from his beloved New York restaurants, ABC and JoJo, which are known for their health-

forward menus. The Master's signature dishes served at the Rock include truffle pizza, local lobster salad, crispy salmon sushi and many other exquisite treats that make any foodie's taste buds positively dance with pure and true joy.

Executive Chef Maxime Danielli-Lefebvre

Executive Chef Maxime Danielli-Lefebvre knew from a very young age that he would one day grow up to lead some of the most prestigious kitchens in the world as chef. His talents were formed early on in his childhood when his mother and grandmother taught him how to work with the freshest and most honest of ingredients to compose subtle flavours that he could truly claim as his own creations. When he joined Oetker Collection 11 years ago, Lefebvre knew it was the beginning of a relationship that would last a very, very long time...

The Sand Bar

As the gastronomic hub of the hotel, The Sand Bar shapeshifts throughout the day, from its generous and lovely breakfasts to healthy lunches at high noon and glamorous dinners enjoyed underneath the glistening stars... with toes in the sand, or so to speak. The restaurant's open-air vibe overlooking the crystalline turquoise blue waters of St Jean's Bay inspire cravings for the morning's fresh catch or day, or a perfectly prepared piece of meat for sharing... there's truly no limit to the exceptional flavours to be discovered.

The Rémy Bar & Salon

As the night churns on, The Rémy Bar & Salon offers a total immersion into the Caribbean *art de vivre* with the DJ's pulsating beats and the talented mixologists, who elevate the cocktail to a level of perfection that can't be matched anywhere on the island... or beyond, for that matter... and always catered to the guests' mood. A Chili Chili Bang Bang to rock the night or an Eden Colada to start out smooth and sweet... And every day at 6pm, the much-anticipated Fire Show sets the tone for the evening with a blazing beginning.
