

COUNTRY & TOWN HOUSE

The Best Hotels in the Caribbean

Looking for the best hotels in the Caribbean? From Jamaica to Barbados and all the islands in between, we've rounded up a host of show-stopping properties for your next sunshine escape.

Jumby Bay Island, Antigua

Frequented by A-listers, rock stars and well-heeled families, Jumby Bay is part of the prestigious Oetker Collection and one of the most exclusive spots in the Caribbean. Perched two miles off the coast of Antigua, the Crusoe-chic island spans 300 acres and is reached by private boat. Part and parcel of the idyllic isle are powdery sand beaches, superb dining, a spa, luxury villas and breathtaking private residences. Those looking for absolute privacy can splash out on one of the large private homes that fringe the island. Complete with housekeepers and private chefs, these are truly some of the most salubrious residences you'll find in the Caribbean. Island highlights include snorkelling trips to the nearby wildlife haven, Bird Island, rum tastings and the fabulous, weekly White Night parties.
