3 Family Island Homes Away from Home

Villa Jable is an exquisite, contemporary designed home located in Petite Saline, at the centre of the island. The freshly renovated villa boasts 6 bedrooms and 6 full bathrooms, with one of two master suites connecting to a small bedroom for children. All of the bedrooms can be accessed from outside, creating enhanced privacy, and one ground-floor bedroom is wheelchair accessible. In addition to the spacious and immaculate indoor living, the defining feature of Villa Jable is the vast covered terrace and pool deck overlooking St Barths' northwest coastline.

Like a private hotel, **Villa Valentina** features 4 identical master bedrooms for adults, a vibrant children's room with six beds and a staff room with two beds, each with its en-suite bathroom. Ideal for extended families or to share with a large group of friends with children, this sumptuous villa is specially designed for entertaining with an expansive living area, a gorgeous full-service kitchen and a beautiful 25-metre granite swimming pool overlooking Mont Jean and the crystal blue coastline.

Nestled into a private domain on Mont Jean, **Villa Celadon** features magnificent living spaces appointed with natural materials echoing the colours and textures of the exterior palm-fringed gardens. A serene setting for large families or groups traveling with children, the stylish holiday home offers the ultimate in indoor/outdoor living with open air common areas, a vast terrace and a stunning swimming pool.
