**New vibes for
Bristol After Dark parties**
September 2022

Paris by night is gaining an irresistible new ambiance with the freshly reimagined Bristol After Dark evenings at Le Bristol Paris.

A glowing beam of purple passion is about to take hold in the heart of Paris. Bristol After Dark at Le Bar du Bristol is now introducing a new concept curated to channel the effervescence, insouciant fun and transcendence of the golden ages of partying.

Reimagined in partnership with Loic Berardengo and his partners, co-founders of Zoulou Agency, who shaped the inimitable Club L'Arc Paris, the grand reveal is slated to coincide with the opening of Paris Fashion Week on Tuesday, September 27th.

Seductive shades of violet will dance off the disco ball's faceted reflection in a décor that sees hallowed Studio 54 vibes intermingle with the plush splendour of a Parisian Palace. Injected with new beats of the retro and recent variety, the soundscape will take its cues from the guestlist, modulating between a mix of refreshing Italo-disco, '80s pop and mainstream hits.

Keeping the pulse in bubbling motion, **Bristol After Dark** will be extended to five nights per week, Tuesday–Saturday from 10.00pm until 2.00am, offering party-seekers a destination to covet almost every evening.
