The Jumby Explorers programme is designed to provide our youngest guests with special services, amenities and convenience items just for them. Our highly trained team offers a vast mix of activities specially tailored to specific age groups:

**Ages 3yrs - 8yrs**  
**Ages 9yrs - 12yrs**

### **Under 3yrs**

To take advantage of the Jumby Explorers Kids Club, children below 3 years of age must be accompanied by a Jumby Bay Island babysitter. Any other adults, including parents and nannies, will not be allowed past the reception area, but will be provided with 'pack and plays' and beach toys that can be enjoyed in the resort public areas or guest accommodations.

### **Potty-training**

Children 3yrs and up must be potty-trained or in the care of a Jumby Explorer Babysitter (babysitting services are available at an additional cost). Children who are still in diapers are required to wear swimming diapers whilst in the pool.

### **Opening hours**

Jumby Explorers is open daily for two sessions: 9:30am – 12:30pm and 1:30pm – 5:00pm.

### **Pre-booking**

Pre-booking is open from 9am to 2pm for the following day. Booking is mandatory for each desired session and can be done via the Kids Club. During periods of high occupancy, the number of children may be reduced and attendance may be limited to one session per day.

### **Registration**

Is this your first time joining us at Jumby Explorers? Please have your completed registration form and passport ready at sign in. You can also email us this information in advance.
