

THE LANESBOROUGH
LONDON

Dust off your Regency best, as London's finest residence, The Lanesborough partners with Netflix & Shondaland to launch London's exclusive Queen Charlotte-themed afternoon tea

- Queen Charlotte at The Lanesborough – Afternoon Tea - Available from 4th May 2023 -

April 2023 – [The Lanesborough](#), London, is delighted to announce the latest in its innovative series of seasonal afternoon teas, inspired by **Queen Charlotte: A Bridgerton Story**, created in partnership with Netflix and Shondaland. Launching on **4 May 2023**, this limited-edition tea will pay homage to the Regency era; a time of great revelling and high style, of elegant parties, balls, and grand dinners, with a contemporary twist.

Setting the scene, the Queen Charlotte Afternoon Tea will take place in The Lanesborough's richly decorated dining room, naturally illuminated during the day by a domed glass roof while seductively aglow under softly lit chandeliers in the evening. A Regency icon in the capital, beneath the original sky dome there is bas-relief artwork meticulously cast from 250 different mouldings, and Wedgwood china mounted on the walls, evoking a sense of Regency neo-classical grandeur.

Carefully crafted by The Lanesborough's Head Pastry Chef, Salvatore Mungiovino, the menu will pay tribute to the key characters in Queen Charlotte, in addition to 'Lanesborough House' as we now know it, remodelled in 1825 in the fashionable classical style by William Wilkins at the highpoint of Regency era and today, London's quintessential Regency building.

Finger sandwiches will comprise of Tea cured salmon, lemon and caper cream, Coronation chicken, golden raisin, fresh coriander, devilled egg mayonnaise, mustard cress, Organic cucumber, cream cheese, basil and chive, Montgomery cheddar scone, with cheese custard. To accompany the savoury flavours The Lanesborough's delectable scones, cream and jam, will be served. Mungiovino's curated cake and sweet treat concept will include four signature highlights, embracing:

- **Your Majesty** – dedicated to the star of the show Queen Charlotte, sitting regally atop the cake stand – *Your Majesty* is an exquisite hand-crafted sharing cake, with hues of gold and red this elegant and delicate strawberry scented cream bavaroise, infused orange gel, almond crunchy base, sprayed with red chocolate. The crown is edible and made from Royal Icing fitting for a Queen.
- **King George Dreams of Venus** – in honour of King George III and his love of astronomy, *The King George* is a cake of distinction and his pet nickname for his Queen, to the planet Venus. A planet sphere made of 54% chocolate mousse, jasmin infused dark chocolate ganache, coca sable, glazed on blue and white and universal stars.
- **The Lady Violet**- Inspired by Lady Violet’s elegant fashion this elegant chocolate bavaroise, mango compote, lime chantilly, seated on shortbread finished with tempered chocolate, and sugar flowers.
- **Danbury Delight** - Inspired by Lady Danbury’s love of hats and jewels, showcasing the Danbury signature purple, made from Berryiolette pistachio gateaux, combined with a vanilla whipped ganache, sitting on a vanilla sable base finished with purple tempered chocolate.
