OETKER COLLECTION

Masterpiece Hotels

As a socially responsible business, we are delighted to commit our support this year to Heartburn Cancer UK, a charity dedicated to raising awareness of the dangers of persistent heartburn, gastro-oesophageal reflux disease (GORD) and Barrett's oesophagus.

A voluntary donation of £2 will be added to your bill which goes towards a new mobile diagnostic unit, making a new detection test called the Cytosponge more readily available in the community. Thank you for your support.
