THE LANESBOROUGH PARADIS

The angels take a share of all spirits during their maturation in wooden barrels. On average, about 2% of the volume is lost in this way each year, and that's why aged spirits become rarer as the years pass by.

At The Lanesborough, our collection of spirits has surely contributed to the angel's happiness, and what is left to taste is kept in specially selected bottles that we like to call our Paradis.

These Cognacs and Armagnacs are amongst the rarest and finest in the world. Their vintages mark some of the most fascinating dates in history, stretching back to the 18th century. It gives us great pleasure to share our knowledge of these excellent vintages with you. Rare spirits are a passion at The Lanesborough and we do hope you enjoy this once in a lifetime experience.

The most sophisticated spirit in the world since 1765.

Hennessy is the world's leading cognac house. A force of unparalleled quality and unique savoir-fair, Hennessy's strength lies in its exceptional know-how which has been passed down through eight generations of Master Blenders, the Filloux family.

Selection, maturity and blending are Hennessy's core expertise to constantly and consistently create the world's finest cognac. The Hennessy reserve is also one of the largest collections of eaux-de-vie in the world, with 380,000 barrels stored in 65 cellars. Some eaux-de-vie date as far back as 1800, allowing Hennessy to craft for the future whilst drawing on exceptional inventory from the past.

Hennessy Paradis

Round, silky and delicate
25ml

These two marvellous cognacs present the rich versatility of tastes and flavours that the Hennessy cognac house has to offer. Served with a tailor-made chocolate bar to match and improve the Cognacs' profiles.

Did You Know?

The Angels' share is the poetic name for evaporation during the maturation of the cognacs in the barrels, which leads every year to 2-3% loss.

After 25 years of maturation, 50% of the initial inventory has been enjoyed by angels. After 50 years, this amounts to a 90% loss.

Hennessy X.O.

Deep and powerful, having been aged between 15 and 30 years in young barrels, the eaux-de-vie selected as constituents of Hennessy X.O are marked out by their power and energy, but also their capacity to achieve a great roundness through time. The first and original X.O since 1870.

Paradis

Created in 1979, Paradis is known for its voluptuous light and round aroma, and is named after the Hennessy founders cellar, where only the finest, oldest and rarest eaux-de-vie are kept. Depth and elegance are achieved from 100 eaux-de-vie that have been aged for up to 130 years, allowing Paradis to live up to the harmony of a symphonic orchestra.

CIGAR ROOM EXPERIENCE

Available Monday – Friday 6pm – 8pm
Saturday – Sunday 4pm – 8pm

The Partagas factory is one of the most renowned buildings in Havana, situated in Calle Industria 520. Sadly cigars are no longer produced in the original building, the factory having been moved to the former El Rey Del Mundo building. The cigars are however still of legendary quality and the D4 is no exception. A ‘robusto’ in size it is packed with rich, earthy flavours with a subtle sweetness as an end note.

It pairs perfectly with bolder whiskies such as the Balvenie 21 year old Port Wood. This well matured whisky is finished in 30 year old ‘Port Pipes’ giving a delicious fruitiness on the palate with a very subtle hint of smoke on the finish.
